Govt. Registration No.: S-13643/2021

Phase-01

January - June 2021

BANGLADESH PORIBESH BID SOCIETY (BPS)

Bangladesh Poribeshbid Society is a national platform for all environmental graduates in Bangladesh Govt. Registration No.: S-13643/2021. The aim of the Society is to promote environment education and professional development as well as to create wider environmental awareness for environmental conservation and sustainable development in Bangladesh through establishing close communication and engagement of all environmental graduates in Bangladesh.

OUR MAIN OBJECTIVES

1. To act as a national platform for Environmental Graduates of all universities in Bangladesh
2. To develop and promote environmental professions in Bangladesh
3. To provide utmost supports to the Environmental Graduates and the students studying in environmental subjects for their educational and professional development
4. To create greater awareness within the institutions and community for environmental pollution control, environmental conservation and sustainable development in Bangladesh
5. To provide advisory support and create awareness within the national and local level government and non-government organizations to improve and implement environmental policies, laws and regulations in Bangladesh.

*Present Executive Committee Members of
Bangladesh Poribeshbid Society*

BPS MASTER PLAN SHORT BRIEF

Bangladesh Poribeshbid Society is a national level platform for all environmental graduates in Bangladesh, established in 2021. The Master Plan has been prepared to lay foundation of the

Society through implementing various activities for achieving its' objectives in the long term. Although this plan is prepared for next five years (2021-2025), most of the

activities will be continued beyond this period. Total 42 activities are identified under six divisions- Admin and Finance (7), Education and Professional Development (10),

Publicity and Communication (13), Environmental Awareness (4), Environmental Policy (4), and International Affairs (4).

PRESENT MEMBERS OF BANGLADESH PORIBESH BID SOCIETY

About 18 Universities Environmental Science graduates and present students are now member of the Bangladesh poribeshbid Society. Hopefully within very short time we

can reach all the universities that offer Environmental Science related disciplines in Bangladesh.
