## BANGLADESH PORIBESH BID SOCIETY

Govt. Registration No.: S-13643/2021

Issue-02

July - December 2021

### BANGLADESH PORIBESH BID SOCIETY (BPS)

Bangladesh Poribeshbid Society is a national platform for all environmental graduates in Bangladesh Govt. Registration No.: S-13643/2021. The aim of the Society is to promote environmental education and professional development as well as to create wider environmental awareness for environmental conservation and sustainable development in Bangladesh through establishing close communication and engagement of all environmental graduates in Bangladesh.

#### OUR MAIN OBJECTIVES

1. To act as a national platform for Environmental Graduates of all universities in Bangladesh
2. To develop and promote environmental professions in Bangladesh
3. To provide utmost supports to the Environmental Graduates and the students studying in environmental subjects for their educational and professional development
4. To create greater awareness within the institutions and community for environmental pollution control, environmental conservation and sustainable development in Bangladesh
5. To provide advisory support and create awareness within the national and local level government and non-government organizations to improve and implement environmental policies, laws and regulations in Bangladesh.

*Present Executive Committee Members of  
Bangladesh Poribeshbid Society*

#### BPS MASTER PLAN SHORT BRIEF

Bangladesh Poribeshbid Society is a national level platform for all environmental graduates in Bangladesh, established in 2021. The Master Plan has been prepared to lay foundation of the

Society through implementing various activities for achieving its' objectives in the long term. Although this plan is prepared for next five years (2021-2025), most of the

activities will be continued beyond this period. Total 42 activities are identified under six divisions- Admin and Finance (7), Education and Professional Development (10),

Publicity and Communication (13), Environmental Awareness (4), Environmental Policy (4), and International Affairs (4).

## PRESENT MEMBERS OF BANGLADESH PORIBESH BID SOCIETY

About 19 Universities Environmental Science graduates and present students are now member of the Bangladesh poribeshbid Society. Upto 31st December, 2021 there are about 247 student member, 148 general

member, 3 lifetime member of BPS. Hopefully within very short time we can reach all the Universities which offer Environmental Science related disciplines in Bangladesh.

## BANGLADESH PORIBESH BID SOCIETY'S ACTIVITIES FROM JULY TO DECEMBER, 2021

### BPS WEBINAR ON "THE SCOPE OF ES GRADUATES IN GOVT. SECTOR IN BANGLADESH

BPS has successfully arranged a webinar on "The Scope of ES Graduates in Govt. Sector in Bangladesh on 02 July, 2021. Md. Nazmul Haque Sumon, Assistant Commissioner (Land) & Executive Magistrate, Nageswari, Kurigram was the speaker and Shekh Abu Jahid, Director (Education and Professional Development), Bangladesh Poribeshbid Society was the host of the program. More than 35 participants from ES backgrounds joined this program. It was an interactive session for members of BPS and provided information about the career goal for the fresh ES graduates and current ES students. Speaker, President, ED, Executive members and others members of BPS shared their previous experiences and given answer about ES related Govt. Jobs in Bangladesh.

### BPS SEMINAR ON "JAPAN: A DESTINATION FOR HIGHER STUDIES"

BPS has successfully arranged a Seminar on "Japan: A Destination for Higher Studies" for Environmental Science (ES) graduates on 04 July, 2021. Dr. Md. Shibly Sadik, Associate Specialist, CEGIS and Kyoto University Alumni, MEXT Scholarship Alumni was the speaker and Subroto Kumar Dey, Director (International Affairs), BPS was the moderator of the program. More than 45 participants from ES background joined this program. It was an informative seminar for the ES graduates and students who had decided to complete their higher studies in Japan.

### BPS SEMINAR ON "HIGHER STUDIES IN AUSTRALIA: OPPORTUNITIES FOR BANGLADESH"

BPS has successfully arranged a Seminar for Bangladesh" on 30 July, 2021. Dr. Shahida Khanom, Former Project Officer, UNESCO,

Dhaka and Griffith University Alumni, was the speaker and Subroto Kumar Dey, Director (International Affairs), BPS was the moderator of the program. More than 30 participants from ES background joined this program. It was an informative seminar for the ES graduates and students who were interested in completing their higher studies in Australia.

Higher studies abroad seminar series #4

## 13 OCTOBER, 2021, THE INTERNATIONAL DAY FOR DISASTER RISK REDUCTION OBSERVATION

As a part of the International Day for Disaster Risk Reduction observation, BPS has arranged a webinar on “Role of Geospatial Data analysis and visualization for Disaster Risk Management”. Mr. Ahasanul Hoque, Knowledge Management Specialist at UNDP & Former National Consultant on GIS and Data Management at World Bank was the speaker and Anwar Jahid, Director (Environmental Awareness), BPS was the moderator. At the beginning, welcome address was given by Dr. Mohammad Mahfuzur Rahman, President, Bangladesh Poribeshbid Society, he said that the International Day for Disaster Risk Reduction was started in 1989, after a call by the United Nations General Assembly for a day to promote a global culture of risk awareness and disaster reduction. It is observed every year 13 October; the day celebrates how people and communities around the world are reducing their exposure to disasters and raising

awareness about the importance of reining in the risks that they face. After that the speaker presented his presentation about the Geospatial Data analysis and visualization and their uses in disaster management field in developed and developing countries, and how map and big data support overall country planning, risk identification and risk mitigation. He also discussed about current world scenario and opportunity for environmental professional. More than 84 participants from ES backgrounds and professional joined this program.

## BANGLADESH PORIBESH BID SOCIETY ANNUAL PICNIC 2021

Bangladesh Poribeshbid Society has organized annual get-together program on 20 November, 2021 at Digir Par, Munshigonj. About 60 members of BPS participated in the program. It was fabulous day for the ES graduates to close contact with nature in the Char land of Padma river. All participants spent their time with fishing, sightseeing, playing football in the char land, bathing in the Padma River. We had a community responsibility program (Mass Housekeeping at Padmar Char). At last, enjoyable raffle draw program was held.

## COMMUNITY RESPONSIBILITY PROGRAM OF BPS

Mass Housekeeping awareness campaign was organized by Bangladesh Poribeshbid Society on 20 November, 2021 at Padmar Char, Munshiganj. The objective of the campaign was to create awareness among the BPS members and the general public regarding the importance of the clean and green environment. The activities of the campaign focused on the theme “Keep your environment clean and green”. The program was inaugurated by Dr. Mohammad Mahfuzur Rahman, President, Bangladesh Poribeshbid Society, he said that the environmental awareness campaign is really important because it is a great investment for the environment and the future. We must follow the practices in our daily life and community level as well. ED, Directors and others members of BPS were participated in the Mass Housekeeping awareness campaign. It was concluded that not only does the activity serve the practical purpose of cleaning, but it also creates a greater sense of unity and friendship among community members of Padmar Char and BPS members as well.
