January - June 2022

BANGLADESH PORIBESH BID SOCIETY (BPS)

Bangladesh Poribeshbid Society is a national platform for all environmental graduates in Bangladesh Govt. Registration No.: S-13643/2021. The aim of the Society is to promote environment education and professional development as well as to create wider environmental awareness for environmental conservation and sustainable development in Bangladesh through establishing close communication and engagement of all environmental graduates in Bangladesh.

OUR MAIN OBJECTIVES

1. To act as a national platform for Environmental Graduates of all universities in Bangladesh
2. To develop and promote environmental professions in Bangladesh
3. To provide utmost supports to the Environmental Graduates and the students studying in environmental subjects for their educational and professional development
4. To create greater awareness within the institutions and community for environmental pollution control, environmental conservation and sustainable development in Bangladesh
5. To provide advisory support and create awareness within the national and local level government and non-government organizations to improve and implement environmental policies, laws and regulations in Bangladesh.

*Present Executive Committee Members of
Bangladesh Poribeshbid Society*

BPS MASTER PLAN SHORT BRIEF

Bangladesh Poribeshbid Society is a national level platform for all environmental graduates in Bangladesh, established in 2021. The Master Plan has been prepared to lay foundation of the

Society through implementing various activities for achieving its' objectives in the long term. Although this plan is prepared for next five years (2021-2025), most of the

activities will be continued beyond this period. Total 42 activities are identified under six divisions- Admin and Finance (7), Education and Professional Development (10),

Publicity and Communication (13), Environmental Awareness (4), Environmental Policy (4), and International Affairs (4).

PRESENT MEMBERS OF BANGLADESH PORIBESH BID SOCIETY

About 21 Universities Environmental Science graduates and present students are now member of the Bangladesh poribeshbid Society. Upto 30 June, 2022 there are about 507 student members, 203 general members, 6

lifetime members and 8 honorary members of BPS. Hopefully within very short time we can reach all the Universities which offer Environmental Science related disciplines in Bangladesh.

BANGLADESH PORIBESH BID SOCIETY'S ACTIVITIES FROM JANUARY TO JUNE, 2022

WORLD WETLANDS DAY 2022 OBSERVATION

As a part of World Wetlands Day observation, BPS has successfully arranged a webinar on "Wetlands Action for People and Nature" on 2 February, 2022. Mr M. Anisul Islam, Director, Center for Natural Resource Studies (CNRS) was the speaker and the program moderated by Dr. Aminur Rahman, postdoctoral fellow, University of Prince Edward Island, Canada. As a part of introduction welcome address delivered by Dr. Mohammad Mahfuzur Rahman, President, Bangladesh Poribeshbid Society, he said that World Wetlands Day is recognized as a United Nations International Day of Importance, celebrated around the world each year on 2 February. It marks the anniversary of the signing of the Convention on Wetlands of International Importance (Ramsar Convention) in Ramsar, Iran, on 2 February 1971. Since 1997, World Wetlands Day has been used to: (a) raise public awareness of wetland values and benefits; (b) promote the conservation and wise use of wetlands. After that speaker highlighted the importance of wetlands in his presentation and said, "Due to various human activities, the amount of wetlands in Bangladesh is decreasing day by day. If wetlands are not protected, all kinds of biodiversity including fish, crops will be threatened. In order to protect nature and biodiversity, quick steps must be taken to protect all types of wetlands including

river channels, haors, and baors. Installation of ETPs in industries should be made mandatory and regular monitoring should be done to protect wetlands. environmental professional. Mr. Arifur Rahman, Executive Director, Bangladesh Poribeshbid Society, delivered his webinar closing speech. Directors, Executive member of Bangladesh Poribeshbid Society and more than 100 participants from ES backgrounds and professional joined this program. Two local media covered the program. 1ST ANNUAL GENERAL MEETING (AGM) OF BANGLADESH PORIBESH BID SOCIETY (BPS)

The AGM held on 26 February, 2022 over a digital platform. Mr. Arifur Rahman, Executive Director, BPS presented the Introduction and Synopsis of the AGM. He said that there will be total five part of this program.

1. Annual Report, 2. Audit Report, 3. Honorary Member Selections, 4. Election Commissioner Nomination, 5. Open Discussion and at last 6. Concluding Remarks. Mr. Md. Abu Jubayer, Director (Admin and Finance), BPS presented the Annual Report and audit report (01 July 2020 to 30 June 2021) of Bangladesh Poribeshbid Society. Mr. Dr. Aminur Rahman Shah (G21014) counselor of the AGM shared his opinion on annual report that Bangladesh Poribeshbid Society (BPS) has done a lot of activities with this short period. Executive committee tried their best as a new organization. After

this session Mr. Md. Abu Jubayer, Director (Admin and Finance), BPS presented total 11 persons for the nomination of honorary member who has more than 20 years environmental related experience but doesn't have Environmental Science related graduation. As a new organization, these honourable persons agreed to connect with BPS as honorary member is a great achievement. All counselor approved the honorary members. After that five persons were selected as an Election Commissioner for the next election. In an open discussion session most of the members expressed their interest to connect all the Environmental science graduate's from different universities with BPS. At the end of this AGM Mr. Dr. Mahfujur Rahman, President, BPS delivered his concluding remarks.

WORLD WATER DAY OBSERVATION (22 MARCH, 2022)

On the occasion of World Water Day 2022 on Tuesday, 22 March, 2022, BPS has successfully arranged a webinar on "Groundwater: Making the Invisible Visible". Mr. Giasuddin Ahmed Chowdhury, Deputy Team Leader, support to implantation of the Bangladesh Delta Plan 2100, Mott MacDonald was the speaker and Mr. Dr. Md. Hasibur Rahman, Assistant Professor, Dept. of Environmental Science and Technology (JUST), general member, BPS was the moderator. As a part of introduction, welcome speech delivered by Dr. Mohammad Mahfuzur Rahman, President, Bangladesh Poribeshbid Society, he said that According to a resolution adopted by the United Nations General Assembly, every year March 22 is observed as World Water Day. Since 1993, the day has been celebrated in various ceremonies around the world in recognition of the paramount importance of water resources.

In the speech of the chief guest, Giasuddin Ahmed Chowdhury said, "Bangladesh Delta Plan-2100" has been formulated with the aim of building a delta that is resilient to climate change. This Delta Plan has been made with emphasis on socio-economic issues. If

the Delta Plan can be implemented well, Bangladesh will benefit financially. "It's also emphasizing the use of surface water, he also said, 'We have to reduce the use of underground water. Since we have more surface water, we need to increase our use of surface water. Underground water should be used only for drinking purposes. Mr. Arifur Rahman, Executive Director, Bangladesh Poribeshbid Society, delivered his webinar closing speech. Directors, Executive member of Bangladesh Poribeshbid Society and more than 180 participants from ES backgrounds and professional joined this program. Two media covered the program. BPS LAUNCHES ORGANIZATIONAL WEBSITE, HOLDS IFTAR MAHFIL

Bangladesh Poribeshbid Society (BPS) has launched the most coveted website www.poribeshbid.org.bd at a restaurant in the capital. The website was inaugurated on Friday (April 15, 2022) evening by Professor Dr. Md. Sirajul Islam, BPS Honorary Member and Treasurer of Mawlana Bhashani Science and Technology University. In his inaugural address, he said, "The launch of the website is a

milestone for the Bangladesh Poribeshbid Society. A specialized training institute will be set up to enhance the skills of future environmental graduates."

He hoped that the government would create an environment cadre in the future realizing the importance of environment in all fields. He hoped that Bangladesh Poribeshbid Society would set up a separate university in the near

future. The content of the website has been arranged through timely features keeping in view the education, research and professional development of environmental graduates.

BPS Executive Director, Mohammad Arifur Rahman, Director (Admin & Finance), Poribeshbid Abu Jubayer, Director (Environmental Awareness) Anwar Jahid, Director (Education and Professional Development) Sheikh Abu Jahid, Director (Publicity and Communication) Md. Abdul Kader Talukder, Director (Environmental policy) Mahmud Hasan Tuhin, Executive Members A.K.M. Humayan Kabir, F M Ashraful Alam, Md. Atiqur Rahman, Md. Mustafizur Rahman and Tanjima Hoque Trishawere present on the occasion. Among others, hundreds of environmental graduates from different universities, journalists from print and electronic media were also present.

After the inauguration of the website, an Iftar mahfil was organized by the Bangladesh Poribeshbid Society. Iftar parties were also organized parallel at Khulna University, Mawlana Bhashani

Science and Technology University, Bangabandhu Sheikh Mujibur Rahman Science and Technology University, Gopalganj, Patuakhali Science and Technology University and Jatiya Kabi Kazi Nazrul Islam University under the banner of BPS. More than 13 print and electronic media published news about the program. Media link:

- Text:** Higher studies abroad seminar series #5 at the bottom right.

WORLD ENVIRONMENT DAY 2022 OBSERVATION

As a part of World Environment Day observation, BPS has successfully arranged a webinar on “Only One Earth: Living Sustainably in Harmony with Nature” on 5 June, 2022. Dr. Engr. Tariq Bin Yousuf, Solid Waste Management Expert of JICA, Study Team & Ex Additional, Chief Engineer of DNCC, Md. Fazle Reza Sumon, Urban Planner & President, Bangladesh Institute of Planners, Professor Dr. Md. Sirajul Islam, Treasurer, Mawlana Bhashani Science and Technology University (MBSTU), Professor Dr. Atikul Islam, Environmental Science Discipline, Khulna University, Professor Dr. Mir M. Mozammel Hoque, Department of Environmental Science and Resource Management, MBSTU, Dr. Mohammed Abdus Salam, Associate Professor, Department of Environmental Science and Disaster

Management, Noakhali Science and Technology University, Dr. Md. Emdadul Haque, Associate Professor, Department of Disaster Management, BRUR, Dr. Md. Hasibur Rahman, Assistant Professor, Department of Environmental Science and Technology, JUST, Md. Alim Miah, Assistant Professor Department of Environmental Science and Engineering, JKKNIU, Shaheduzzaman, AGM- HR, Admin & Compliance (HOD), MIR Ceramics, Dr. Md Shibly Sadik, Associate Specialist, CEGIS, Molla Karimul Islam (Tuhin), Manager, Sustainable Finance, The City Bank Ltd was the speakers and Postdoctoral fellow of the University of Prince Island, Canada, poribeshbid Dr. Aminur Rahman moderated the webinar. As a part of introduction, welcome speech delivered by Dr. Mohammad Mahfuzur Rahman, President,

Bangladesh Poribeshbid Society & Associate Professor, Environmental Science and Technology, JUST, he said that according to the decision adopted by the United Nations International Conference on Human Environment in 1972, June 5 is being celebrated as 'World Environment Day' every year in more than one hundred countries around the world under the initiative of the United Nations Environment Program (UNEP).

The speakers shared their various experiences and opinions on how to give a beautiful environment to the country so that the next generation can have a beautiful home. According to them, everyone should contribute in their respective sectors so that at least the workplace environment is clean for everyone.

Professor Dr. Md. Sirajul Islam said there is a great need for environmentalists at the policy-making level of the government, in this case the government can speed up the Ministry of Environment and Forests by appointing environment cadres.

Dr. Abdus Salam, associate professor of environmental science and disaster management department of Noakhali University of Science and Technology said in

his speech, we may have to face an extreme risk in the future and that is clean drinking water. Our country has plenty of water, but it is not clean enough to drink. So we have to give more emphasis on increasing the ground water, we must also take care that the ground water is not extracted too much. At the end of webinar Mohammad Arifur Rahman, Executive Director, Bangladesh Poribeshbid Society gave vote of thanks to the speakers, Directors of BPS and participants of the webinar.

Mr. Anwar Zahid (Director, Environmental Awareness), Abu Zubair (Director, Finance and Administration), Sheikh Abu Zahid (Director, Education and Professional Development), Md. Abdul Kuader Talukder (Director, Publicity and Communication), Executive Member A.K.M. Humajun Kabir, FM Ashrafal Alam, Atiqur Rahman, Md. Mustafizur Rahman, Tanzima Haque Trisha connected with the webinar. More than 250 participants from ES backgrounds and professional joined this program. Two media covered the program. As first alhamdulillah, I'm really glad to announce that starting my professional career with "Sustainable Research & Consulting Limited (SRCL)" as a "Senior Environment Specialist". And I'm very lucky for getting **Jubayer Chowdury** as my mentor. I would like to thank all the members of "Bangladesh Poribeshbid Society" especially **Jubayer Chowdury Sheikh Abu Jahid**, **Humayan Kabir Dewan Swopon** and **Ashraf Alam** who always guide and encourage me to go forward and build a successful career. Please, keep me in your prayers. Thanks! See less.
